Dear Miss Winchester:

Allen W. Dulles, Director of Central Intelligence, asked me to send you the original copy of his 8 April address in New Orleans.

In reply to the other questions in your letter of 19 May 1959 to Mr. Dulles, please be informed that CIA does not issue public reports. From time to time the Director makes a speech and that is the only manner now used by CIA in making public information on the Soviet Union. I am sending you under separate cover some of the past addresses by Mr. Dulles.

Thank you for your inquiry.

Sincerely,

Stanley J. Grogan
Assistant to the Director
